

Moonraking - "the following of crazy fancies." (Chamber's 20th C Dictionary)

This group began in February 2003, so that people with an interest in Cowling's past, could enjoy it together, instead of in isolation.

Aims agreed by the group in 2005 –

To gain enjoyment from recording and sharing as much as possible of Cowling's rich history.

To assist in the revitalising of the village, by raising its profile locally and worldwide, through announcing it's place in history, imparted through websites and other forms of communication.

'To tell the story of a community is to give it value.'
